HAIR RESTORATIVES.

A NEW DISCOVERY!! PHALON'S "VITALIA: Salvation for the Hair. CLEAR ASWATER! WITHOUT SEDIMENT! OPEN TO THE LIGHT !!! For Restoring to Gran Hair its Original Color

Phalon's "VITALL differs ut-terly from all the hair coloring preparations heretofore used. It is listpid, sweet smelling, precipitates no muddy or slimy mayer, requires no shaking, impares no stain to the skin. Hold it to the light and it is clear and cloudess. It leaves no mark on the scale; yet it reproduces in gray half the natural color that time or sickness may have bleached out of it. Phalon's Vitalia

is for one sole purpose, that of reproducing, with absolute cer-tainty, the natural polor of the hair. It is not nitended as a daily dressing, nor for removing scurf or dandruff; nor for curing balaness; nor for stimulating the growth of the hair.— These objects may be accomplished after the color has been fixed with the Vitalia, by Phalon's Chemical Hair Invigorator.

rator.

THE VITALLE is a harmless and unequaled preparation for the reproduction of the original hue of gray hair, and nothing else. This is accomplished in from two to ten applications, according to the copth of shade required. Solvey all druggists.
